

5 Port High Performance MiniHub

PN500TPA

Ideal SOHO Hub Solution

- Create your own Computer Network
- Easy to use Ethernet Hub
- Excellent for small office and home office
- Connect PC's or Mac's

Networking in the Fast Lane

The 5 Port MiniHub from Hawking is the ideal hub solution for Small Office or Home Office which requires 10 Mbps performance. This full featured, compact MiniHub offers the same 10Mbps performance as full sized models, yet fits easily in the palm of your hand.

Connect up to 5 computers with this MiniHub to create a small network or use to expand a existing network. It can be installed in seconds by anyone. Just connect your UTP network cable between the hubs and your computers and you're done. It's that easy.

Package Contents:

- One 10Base-T Hub
- One A/C Power Adapter
- Easy to follow owner's manual

Systems Requirement:

- IEEE 802.3 10BaseT Ethernet

Network Protocol Support:

Microsoft Windows 95/98/2000//NT/ME and more!

Ready, Network & Go!

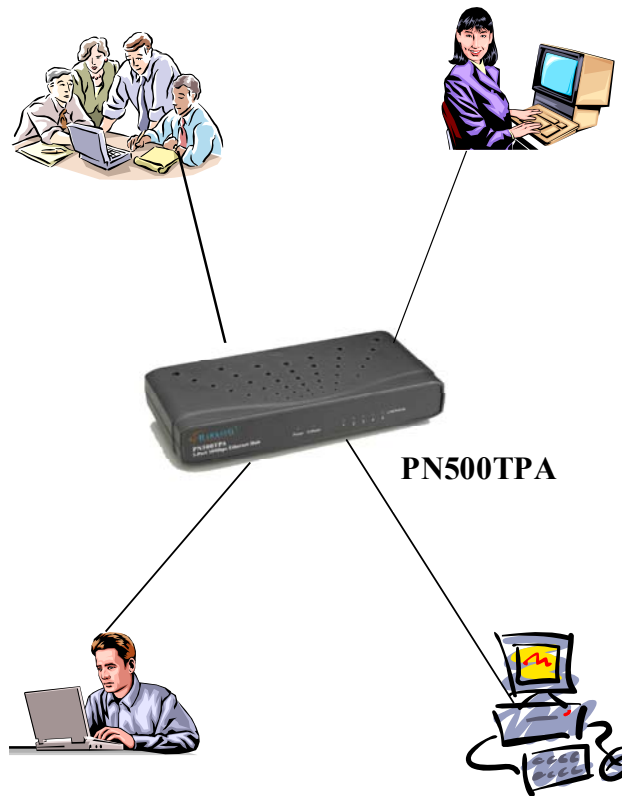

It's easy to install, it's easy to use! Everyone can do it.

Step 1 – Connect it

Connect the PN500TPA to your network using standard RJ45 cabling and you are networked! It's that easy!

Features	Benefits
Plug and Play Ethernet Hub	Easy to setup, no technical knowledge needed
5 Ports (5 RJ45 Connectors)	Connect up to 5 computers with this hub
One uplink slide switch	Easy expansion of your network, connect additional hubs and computers as needed
5 link and activity LEDs & 2 Power and collision LEDs	Visually check your network activity and monitor the hub status with these easy to read displays
Automatic isolation and reconnection of faulty ports and automatic signal regeneration	Ensures uninterrupted communication and clean signal transmission
IEEE 802.3 compliant	Guaranteed Hub Performance and hardware compatibility

Network Diagram

Specification:

- IEEE 802.3 10Base-T Standard
- 5 10Base-T RJ45 Ports
- Data Transfer Rate: 10Mbps
- Communication Protocol: CSMA/CD
- Connection Topology: Star
- Cabling: CAT 3, 4 or 5 UTP (unshielded Twisted Pair)
- Power: AC Adapter

Ethernet Connection Rules

- Hub Adapter: Straight UTP Cable
- Hub-Hub: Crossover cable or uplink port
- Max Distance between two devices: 10BaseT: 333ft (100Meters)

Ordering Information:

PN400TP 4-Port 10Base-T Hub
 PN400TPA 4-Port 10Base-T Hub
 PN500TPA 5-Port 10Base-T Hub
 PN800TP 8-Port 10Base-T Hub
